What do kids do at Nature Camp?

We sort, sprout and plant seeds.

We make mud pies, sand castles and bubbles of all shapes and sizes.

We find worms, insects and salamanders and observe them in bug jars.

We play with water and notice its unique properties.

We make it move, up, down and around thru tubes and into various containers.

We have water squirting contests.

We paint, draw and build with blocks.

We do science experiments.

We read books for information and fun.

We play and learn and learn and play.
